Subject: IPR2023-00978 - Request for Extension of Time to Serve Demonstratives

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

To the Board,

The Order Setting Oral Argument (Paper 34) sets a date of Friday, September 6, 2024, to serve demonstratives. Petitioner Verizon seeks an extension of that date until Tuesday, September 10, 2024. Petitioner has conferred with Patent Owner GAS on this matter. Patent Owner has stated that it prefers the original schedule.

Petitioner makes this request because it has recently added new counsel to this IPR and, consequently, needs a few extra days to finalize the demonstratives. Petitioner does not seek any extension with respect to the filing of demonstratives (set for September 13, 2024).

The parties are available for a conference call with the Board today from 9:30am until 3:30pm, should the same be necessary. The parties can provide additional times if needed.

Regards,

Justin Oliver
