CAUTION - EXTERNAL:

Dear Ms. Paget,

The parties jointly provide the following update to Judge Hernandez regarding case scheduling. Thank you for your attention to this matter.

Dear Judge Hernandez,

The parties have conferred about the case schedule as required by the Court's August 25, 2023 Order (Dkt. 68). The parties are available from 3 pm to 4 pm PT on September 7, 11 am to 1 pm on September 13, or 2.30 pm to 6 pm on September 14 for a telephone conference with the Court to discuss the case schedule and status. The parties can also provide availability for dates after September 14, if that would be helpful.

Regarding the case schedule, in the near future Intel intends to file a motion to stay this case based on an *inter partes* review petition challenging the validity of the asserted claims of the '702 patent. Intel filed its petition with the US Patent and Trademark Office on June 2, 2023. BeSang will oppose Intel's stay motion. The parties propose that the case remain stayed until Intel's forthcoming stay motion is resolved. The parties would appreciate the Court's guidance on this proposal.

Regards, Renée Rothauge
