Characters

Bowser

Bowser is one of the most iconic villains in gaming. His role as the main antagonist in the Mario franchise has cemented this King of Koopas' status in video game history.

King Bob-omb

The very first not-so challenging boss in Super Mario 64 for Nintendo 64 and DS.

Koopa the Quick

A giant koopa that Mario must race in Super Mario 64 and Super Mario 64 DS twice. He is extremely fast and if beating will give the player a star.

Lakitu

Lakitu has appeared in a variety of Mario games; from Super Mario Bros on the NES right up to Mario Kart 7. He is responsible for dropping Spinies onto the levels below, holding up signs and his very own start signal from all nine Mario Kart games.

Lakitu Bros

Characters who in Super Mario 64 and it's remake. They are first friendly Lakitu's and will help Mario and friends in several ways.

Mad Piano

Mario

Originally a carpenter named Jumpman, this Italian plumber has gone on to become the most recognizable video game character of them all, starring in a veritable pantheon of titles like kart racing and sports. He has been voiced by Charles Martinet for nearly 20 years.

MIPS

A yellow rabbit who wanders the halls of Peach's castle in Super Mario 64.

Princess Peach

Princess Peach Toadstool is usually the damsel in distress from the Mario franchise. She gets kidnapped frequently by Bowser, though she's not averse to being captured by various other villains from time to time.

Toad

The Toad is a member of the Toad species. He is a loyal attendant of Princess Peach and often assists Mario on his journeys in a variety of ways.

Whomp King

The Whomp King is (as his title would suggest) the king of all Whomps. He first appeared as a boss in Super Mario 64 and later returned in Super Mario Galaxy 2.

Yoshi

Yoshi is a recurring character in the Mario franchise and has since gone on to star in his own games.
