

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

COLLEGE PRODUCTS, INC.,

Petitioner,

v.

INTIRION CORPORATION,

Patent Owner.

Case No. IPR2023-01041

Patent No. 9,791,206

MOTION FOR *PRO HAC VICE* ADMISSION
37 C.F.R. § 42.10

This Motion for *Pro Hac Vice* Admission is being filed by Patent Owner Intirion Corporation (“Intirion”) in the IPR proceeding captioned in the title page of this submission. Intirion requests the admission of Ms. Cara Donels *pro hac vice* in the IPR proceeding captioned above. Intirion submits herewith a Declaration of Cara S. Donels in Support of this Motion for *Pro Hac Vice* Admission. Petitioner does not object to the motion.

Ms. Donels is very familiar with the technical and legal issues raised in the IPR Petition and is qualified to serve as backup counsel for Intirion in this matter. As explained in the attached declaration, Ms. Donels is an experienced litigating attorney who has appeared in numerous patent cases and worked on several others, including two pending district court patent litigations relating to linked appliances with auxiliary outlets. (*See* Donels Decl., ¶¶ 10-12.) Ms. Donels has worked in the area of intellectual property litigation, with a focus on patent litigation, since September 2019. (*Id.*, ¶¶ 9-10.) Through her work on multiple proceedings for Intirion, she has experience with the linked appliance technologies relevant to this IPR proceeding. (*Id.*, ¶¶ 11-12.)

Ms. Donels is also well-versed in the subject matter and procedural history of the challenged ’206 patent. She is counsel of record for Intirion in the pending district court patent litigation over the ’206 patent. (*Id.*, ¶¶ 11-13.) Ms. Donels has been substantially involved in this proceeding.

In the course of her representation of Intirion, Ms. Donels has reviewed and analyzed the '206 patent and its prosecution history in detail. (*Id.*, ¶¶ 13, 15.) She has also reviewed and analyzed asserted and referenced prior art, all of the papers filed in the district court lawsuit, all of the exhibits to the IPR Petition, and, of course, the Petition itself. (*Id.*) Ms. Donels has a particularly high level of knowledge regarding Petitioner's prior art contentions raised in the Petition, and the district court litigation, because she is assisting in drafting Intirion's Preliminary Response to the Petition. (*Id.*, ¶ 14.)

Pursuant to 37 C.F.R. § 42.10(c), Intirion further notes that Ms. Donels is a member in good standing of the state bars of Iowa and Minnesota and is admitted to practice before five federal courts. (*See* Donels Decl. ¶ 2.) No court or administrative body has ever (a) suspended or disbarred her from practice; (b) denied her application to practice; or (c) sanctioned her or cited her for contempt. (*Id.*, ¶¶ 3-5.) Ms. Donels has read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials. (*Id.*, ¶ 6.) She has also acknowledged that she will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a). (*Id.*, ¶ 7.)

For the foregoing reasons, Patent Owner Intirion respectfully requests that this Motion for *Pro Hac Vice* Admission be granted, and that Ms. Cara Donels be admitted to appear *pro hac vice* in the IPR proceeding captioned above.

Respectfully submitted,
