ORDER

INTIRION CORPORATION,

Plaintiff,

vs.

COLLEGE PRODUCTS, INC.,

Defendant.

No. 23-CV-4023-KEM

ORDER

The parties jointly move in *College Products, Inc., v. Intirion Corporation*, Case No. 23-CV-4002 (College Products case), to consolidate that case with the recently transferred case, *Intirion Corporation v. College Products*, Case No. 23-CV-4023-KEM (Intirion case). Doc. 23. The parties request consolidation into the Intirion case and that the court file the answer and counterclaims in the College Products case in the Intirion case. Based on my review of the claims and issues presented, I find that consolidation of these cases will serve the interests of justice and judicial efficiency under Federal Rule of Civil Procedure 42(a).

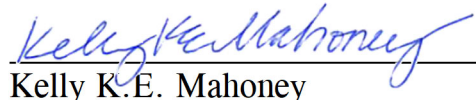

1. The court **GRANTS** the Joint Motion to Consolidate Actions (Doc. 23, 23-CV-4002), and **consolidates** these cases for all purposes including trial.

Intirion Corporation Exhibit 2013
College Products, Inc. v. Intirion Corporation
IPR 2023-01043

2. The Intirion Corporation case will be the lead case—all future filings will be docketed only in Case No. 23-CV-4023-KEM.

3. College Products may file its answer and counterclaim in Case No. 23-CV-4023 (the court declines to have the Clerk of Court file these documents as they contain exhibit markings and are not in final form for filing).

SO ORDERED on June 7, 2023.
