Subject: IPR2023-01064 - (requesting a corrected declaration for Mr. Wilkerson - PHV motion)
Date: Monday, March 25, 2024 2:20:42 PM

Counsel:

Patent Owner's motion for *pro hac vice* admission of Matthew T. Wilkerson in IPR2023-01064 is not in condition for grant. The following deficiencies have been identified:

The declaration (Ex. 2051) filed in support of the motion does not comply with the requirements set forth in *Unified Patents, Inc. v. Parallel Iron, LLC*, Case IPR2013-00639, Paper 7 (PTAB Oct. 15, 2013) because:

- a. It is silent as to whether Mr. Wilkerson has been subject to any sanctions or contempt citations imposed by any court or administrative body.
- b. It is silent as to whether there are any other proceedings before the Office for which Mr. Wilkerson has applied to appear *pro hac vice* in the last three (3) years.

Please correct these deficiencies by filing **only** a corrected declaration (as an exhibit) within 4 business days or the motion will be dismissed. Please **do not file an additional motion for pro hac vice admission** as that would require a new PHV fee payment.
