

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PELOTON INTERACTIVE, INC.,

Petitioner,

v.

JOHNSON HEALTH TECH CO., LTD.,

Patent Owner.

Case No.: IPR2023-01163
U.S. Patent No. 10,032,227

**CORRECTED AFFIDAVIT OF CHRISTOPHER G. HANEWICZ IN
SUPPORT OF PETITIONER'S MOTION FOR PRO HAC VICE
ADMISSION**

I, Christopher G. Hanewicz, being duly sworn and upon oath, hereby apply to appear *pro hac vice* before the Office in *inter partes* *vice* before the Office in *inter partes* review proceedings under PTAB Case No. IPR2023-01163 on U.S. Patent 10,032,227 and here by attest to the following:

1. I am a member in good standing of the State Bar of Wisconsin and the Western District of Wisconsin. I have also been admitted *pro hac vice* to the District of Delaware, Northern District of Illinois, Eastern District of Michigan, and the Southern District of New York.

2. I have not been suspended or disbarred from practice before any court or administrative body.

3. I have never had an application for admission to practice before any court or administrative body denied.

4. No sanction or contempt citation has been imposed against me by any court or administrative body.

5. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials, as set forth in Title 37, Part 42 of the C.F.R., and the USPTO Code of Professional Responsibility set forth in 37 C.F.R. §§ 10.20 et seq.

6. I will be subject to the USPTO Rules of Professional Conduct as set forth in 37 C.F.R. §§ 11.101 et seq. and the USPTO's disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

7. I am an experienced patent litigation attorney with almost twenty-five years of experience representing clients in patent cases involving patents and/or other intellectual property interests. I litigate patent cases in various forums, including federal district courts across the United States. Through my experience in patent litigation matters, I have represented clients in many phases of litigation including jury trials, *Markman* hearings, discovery, and appeals. My biography is attached hereto as Appendix A.

8. I have familiarity with the subject matter at issue in this proceeding and represent Petitioner as counsel in a parallel court proceeding against Patent Owner involving the same technology (*Johnson Health Tech Co., LTD., and Johnson Health Tech North America, Inc., v. Peloton Interactive, Inc.*, No. 3:22-cv-606 (W.D. WI.)). In this case, I handle all phases of the litigation from discovery through trial and will continue to be involved in the case as counsel.

9. I am familiar with the technologies and issued claims in the 10,032,227, 10,796,375, and 11,227,340 Patents. I am familiar with the prior art references cited in PTAB Case Nos. IPR2023-01163, IPR2023-01164, and IPR2023-01165 and the associated invalidity grounds before the PTAB.

10. In the previous three years, I have not applied to appear *pro hac vice* before the Office.

I hereby declare that all statements made on my own knowledge are true and that all statements made on information and belief are believed to be true. I further declare that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of the Title 18 of the United States Code.

Christopher Hanewicz, firmwide co-chair of the Intellectual Property (IP) practice, is a partner in the Patent Litigation and Intellectual Property Litigation practices and is one of the group's leading trial attorneys. He has successfully led teams representing patentees and patent challengers in jury trials against some of the country's most recognized law firms. He has been ranked in *Chambers USA* for 12 straight years, ranked in *Intellectual Asset Management (IAM) Patent 1000* for seven years, and was selected as the 2021 Patent Litigator of the Year in Madison by *Best Lawyers*, which is the second time he has won the award.

Chris skillfully breaks down complex technical concepts for juries and judges and he has led or co-led teams to winning jury verdicts in the chemical, mechanical, and electrical engineering fields as well as in medical device/diagnostic testing equipment.

In addition to his trial work, Chris has argued dozens of claim construction and summary judgment hearings, taken and defended hundreds of fact and expert depositions, and overseen mediations and contested arbitration for patentees and defendants.
