Dear Patent Trial and Appeal Board:

On behalf of the parties, we write to inform you that the parties have met and conferred. As the parties agreed, Petitioner has since filed the Curtis Declaration (MARA-1003) on the P-TACTS system. Petitioner certifies to the Board and Patent Owner that the filed Curtis Declaration (MARA-1003) is the same as that which was previously provided to DSM.

Please advise the parties if the Board requires any further information.

Best regards,
Grace

Counsel,

From the Board –

It came to our attention that the Declaration of Dr. Jonathan Curtis (Ex. 1003) in the referenced case was not properly filed and/or uploaded as it does not appear in the P-TACTS system.

We request the parties discuss and report back as soon as possible, but no later than 2 pm EST on January 11, your proposal to address the matter.
