Hisense USA Corp. v. Brightplus Ventures LLC, No. IPR2023-01168 (U.S. 9,605,835)

Dear Honorable Board,

Petitioner requests authorization to file a corrected Opposition to Patent Owner's Motion to Amend. After filing the Opposition Petitioner observed a typographical error in citations to the transcript of Mr. Bohannon's deposition, which was identified as Exhibit 1024, but internal citations in the Opposition were to Exhibit 1023. The only changes proposed are to modify internal citations that are to Exhibit 1023 to instead be to Exhibit 1024.

This morning Petitioner provided a tracked changes version of the corrected Opposition to counsel for Patent Owner and requested Patent Owner's position on filing the corrected Opposition by the close of business today. Petitioner received out of office messages from two of Patent Owner's counsel, but Petitioner has not otherwise received a response with Patent Owner's position.

Best Regards,

Michael Morlock (backup counsel for Petitioner)
