Pursuant to 37 C.F.R. § 42.70(a) and the Revised Scheduling Order dated November 13, 2024 (Paper 29), Patent Owner, BRAGI GmbH, respectfully requests oral argument on the issues raised in the papers filed in this *Inter Partes* Review. Without waiving consideration of any issue not identified below, Patent Owner specifies the following issues to be argued:

1. All grounds on which trial was instituted, and all issues raised in the Petition;
2. All issues the Board instructed the parties to address in the Decision Granting Institution of *Inter Partes* Review dated March 19, 2024 (Paper 8), including the construction of disputed claim terms;
3. All issues raised in Patent Owner's Motion to Amend, Revised Motion to Amend, Petitioner's Oppositions to the Motion's to Amend, Patent Owner's Reply, and all related briefing from the parties;
4. All issues raised in any motions to exclude evidence and oppositions to motions to exclude, and replies to oppositions to motions to exclude filed by either party; and
5. Any issues raised by the Petitioner in its Request for Oral Argument or at the oral argument.

Patent Owner requests that oral argument be held virtually by videoconference on the date provided in the Revised Scheduling Order: January 24,

2025 (Due Date 8). Patent Owner further requests that the parties receive “an hour of argument per side” to present their arguments. *See* Consolidated Trial Practice Guide (Nov. 2019) at 81. Patent Owner also requests permission to present documents and exhibits during the video hearing. Additionally, Patent Owner requests to reserve a portion of its argument time for a brief sur-rebuttal to Petitioner’s rebuttal. Proceeding with the customary allotment of time for each party as well as maintaining the time and place allowed by the Board for the oral argument provides a fair opportunity for the parties to present their case while preserving the efficiency of the proceedings. *See id.* at 83.
