XCaliber Container

Experience, Service, Value

Steel Storage Containers are responsible for the transportation of over 60% of goods and produce that we consume each day. *Steel Storage Containers* are large heavy-duty metal shipping boxes. They are constructed to withstand the hardships of overseas travel, heavy loads and years of use and abuse. *Steel Storage*

Containers come in various sizes to accommodate the products being shipped.

XCaliber Container offers *steel storage containers* for Texas, Southern Oklahoma, and Western New Mexico. Our *steel storage containers* can be used for storage, hunting cabins, lake cabins and mobile offices. All of the *steel storage containers* offered by XCaliber Container are rust resistant, waterproof and rodent proof. We also provide professional delivery and set-up for all *steel storage containers*.

New and used storage containers are available in sizes ranging from 20 to 40 feet in length as well as the supersized 45' and 53' containers. We can customize the storage container offering a variety of options to include interior design, security and exterior customization. We provide what you want and need.

New Name
Same great service

We are expanding our operations and have a cool new name. As we grow, we will post things on our new Facebook page and are excited for you to see our new manufacturing plant as well as some great custom container designs! As always, we have a huge selection of new and used containers for purchase. We look forward to the things to come in 2015 and will continue to provide that same great service our customers have come to expect. ”
