Windows

Let there be light! We can customize your container with security windows.

A/C & Heat

You've got the container – now get the most use out of it by making it more comfortable with an A/C & Heating Unit.

Custom Colors

Ask us about painting your storage container any color you wish! Do you want it to match your corporate logo? Or do you prefer for it to blend in? Just let us know, and our skilled painting team will take care of it!

Custom Interiors

Whatever you need, we have the solution. No matter what business you're in, Container King has a container that's right for you. Just let us know what you are hoping to accomplish. And will customize a container to help you meet your goals. Each container will delivered to you clean, well laid out and on time when and where you need it.

Ramps

Now it is easy to wheel your belongings in and out of your container! Ramps are a portable, durable ground level entry method. Container ramps are to be used only with dollies.

Lights

Light up your storage container! Lights are a surefire way to enhance the use of your container – especially at night. Easy to install and bright enough for any size container. Lights can be installed at the top or along the sides.
