Counsel: Further to the Director's Decision entered yesterday in each case identified in the caption (*see, e.g.*, Paper 106 in IPR2023-01242), the Board instructs the parties to file a joint paper in each proceeding, no later than May 30, 2025, that sets forth the parties' respective positions on the scope of any additional discovery required in each proceeding (or the parties' joint position if agreement is reached). Specifically, the parties shall indicate the scope of discovery that, in their view, satisfies the mandate of the Director's earlier Decision in each case (*see, e.g.* Paper 94 in IPR2023-01242). To be clear, a paper shall be filed in each proceeding. Please do not respond by submitting the parties' position(s) by email. A copy of this email shall be entered as a Board exhibit in each proceeding.
