Patent Owner

Case: IPR2023-01244¹
U.S. Patent No. 11,121,222

JOINT MOTION TO SEAL FINAL WRITTEN DECISION

¹ Texas Instruments Incorporated, which filed a petition in IPR2024-00674, has been joined as a party to this proceeding.

Pursuant to the Board's Final Written Decision (Paper 83), Patent Owner, Greenthread, LLC ("Patent Owner") and Petitioners Semiconductor Components Industries, LLC and Texas Instruments Inc. (collectively, "Petitioners") respectfully submit this Joint Motion to Seal. The parties move to seal the Final Written Decision in its entirety, subject to the concurrent submission of a redacted public version of the Board's decision.

Patent Owner has narrowly tailored its redactions for the public version of the Final Written Decision. Patent Owner submits that there is good cause for sealing the redacted portions of the Final Written Decision, as Patent Owner is under confidentiality obligations regarding certain licensing information referenced in the redacted portions. Petitioner has not identified any confidential material in the Final Written Decision, but Petitioner does not oppose sealing Patent Owner's proposed redacted portions of the Final Written Decision.

The parties have conferred regarding the contents of the present Joint Motion. Furthermore, the parties have conferred regarding the narrow redactions of confidential information found in the Board's Non-Public Version of the Final Written Decisions.

Date: February 24, 2025
