ToothPods™

ToothPods - The Future of Oral Hygiene

...to find your ToothPod

ToothPod(TM) Highlights and Features

How many ToothPods(TM) are in the dispenser?
A full dispenser contains over 150 ToothPods.

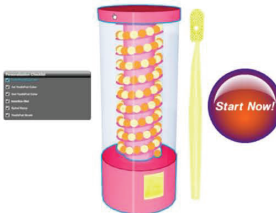

Is the ToothPod(TM) dispenser refillable?
Yes. ToothPod(TM) refills come with a new center cartridge (the ramp and a desiccant chamber) and 500 ToothPods(TM). Refills will be available in a variety of colors and flavors.

Will there be a ToothPod(TM) system more geared boys?
Yes. We propose additional styles for boys and girls such as DinoPods, RacerPods, SuperPods, AlienPods and FavePods. A standard style without characters and spinning lights could be designed for adults.

Can more than one person use a ToothPod(TM) Dispenser without hygienic concerns?
Yes. Each dispenser comes with three different slots to insert your ToothPod™ Brush. Just twist the base to reveal your slot. No more sharing gooey paste from a dispenser that passes germs from one user to another.

What if I get sick can I replace the slot so as not to perpetuate germs?
Yes, each time you buy a ToothPod Brush it is accompanied by a new slot. Pop out the old slot and pop in the new one and your ready to go.
