The Boorum & Pease® Quality Guarantee

The materials and craftsmanship that went into this product are of the finest quality. The pages are thread sewn, meaning they're bound to stay bound. The inks are moisture resistant and will not smear. And the uniform quality of the paper assures consistent rulings, excellent writing surface and erasability. If, at any time during normal use, this product does not perform to your expectations, we will replace it free of charge. Simply write to us:

Boorum & Pease Company

Contents

Page

This image shows a single page of white paper with horizontal blue lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. On the right side, there is a vertical margin line, creating a narrow column. The paper appears to be from a notebook or a standard ruled sheet.

Concept: WDM coupler

Use different quadrants of a lens to couple into an optical fiber.

7-17-03
WDM

For MMF coupling, one also has the added benefit of creating a donut intensity pattern in the launch which significantly reduces the DMD within the Fiber, resulting in extended distance performance.
