### The Boorum & Pease® Quality Guarantee

The materials and craftsmanship that went into this product are of the finest quality. The pages are thread sewn, meaning they're bound to stay bound. The inks are moisture resistant and will not smear. And the uniform quality of the paper assures consistent rulings, excellent writing surface and erasability. If, at any time during normal use, this product does not perform to your expectations, we will replace it free of charge. Simply write to us:

Boorum & Pease Company

71 Clinton Road, Garden City, NY 11530

Attn: Marketing Services

Any correspondence should include the code number printed at the bottom of this page as well as the book title stamped at the bottom of the spine.

### One Good Book Deserves Many Others.

Look for the complete line of Boorum & Pease® Columnar, Journal, and Record books. Custom-designed books also available by special order. For more information about our Customized Book Program, contact your office products dealer. See back cover for other books in this series.

Customer not signed up -

Going through re-funding - done in one month

Found 2 new customers

or join Blaze, and get license

6/10/03 - Walter had light heart attack / Arrhythmia

Deal closed - 20 pat. granted, 6 waiting, 4 to write.

- 2 db loss vs 7-9

also reduces RIN

Walter is semi-retired for 1 year -

Charles + Stefan running -

JV + partnering early way - no funding -

- Deals - P.O. for 2.5M - to Teranetics -

Teranetics subs out -

former Integraph - qualified in many areas -

FMC Silvia -

? - input sensitivity

IEEE - Nov. meeting - 50% - required for study group

CX4 - call for interest + par same week -

Nov. Call

Nov. Par

meeting + working doc -

In CX4 { Tx, cable, Rx - define ... Tx + Cable spec'd -  
- Rx requires  $10^{-12}$  .

Cable may be too idealized .

Bill Hamm -

Pierce Dawes -

May require several stressed eyes to pass -

Need objective of blind adaptable - data independent

300m is really challenging + probably impossible -  
or really expensive ? -

1 kHz or 10 kHz - time variant?

low pass followed by Dual Pass? filter

Refiner questions -

XUAT interface w/ Broadcom - 1e

MDIO interface

- 1) timing
- 2) register assignments
- 3) functionality

BMA/ PMD

- 1) Return over T + F, pattern
- 2) Input sensitivity

7/17

Concept to make a new mux without requiring filters. May be useful to launch inner core and provide offset launch.

Side view:

7/18/03

READ & UNDERSTAND THIS IDEA/INVENTION

*[Signature]*

7-18-03

Any offset in lasers will be translated into offset on fiber and will have angular content as well. Both should help improve bandwidth of fiber

Chris  
7/17/04

Could also be used for single mode fiber without offset

Chris A 7/18
