Dear Patent Trial and Appeal Board:

Patent Owner Pantech Corp previously engaged counsel to represent it in the above-referenced *inter partes* review, but due to a recent district court order Pantech needs to find replacement counsel. Although Pantech is now working diligently to engage new counsel, it is unable to retain counsel and file the required Power of Attorney and Mandatory Notices by the deadline of September 1.

Pantech therefore seeks authorization to file a motion to extend the deadline for its Mandatory Notices by two weeks to September 15, 2023, to permit sufficient time to retain counsel and file the Power of Attorney and Mandatory Notices.

We reached out to Petitioner to obtain their position on Pantech's request and Petitioner does not oppose.

Respectfully submitted,

Pep Kim
President
Pantech Corporation
