Subject: RE: LGE v. Pantech (IPR2023-01267, -01268, -01269, -01270, -01272, -01273): Request for Permission to File Motion to Disqualify Mayer Brown

To the Honorable Board,

Petitioner requests to withdraw or leave to file a motion to withdraw its motion for disqualification (Pap. 8) in the above-captioned proceedings. Yesterday, the Federal Circuit denied Petitioner's petition for mandamus. The Federal Circuit's order has been filed in each proceeding pursuant to the Board's November 14, 2023 order in these proceedings. Given that the deadline for Patent Owner's preliminary response has been delayed while the parties briefed these issues and awaited the Federal Circuit's decision, Petitioner requests that the motion be withdrawn as soon as practicable.

Patent Owner has indicated that it does not oppose Petitioner withdrawing the motion.

Respectfully submitted,
Jim Davis
Counsel for Petitioner
