Case IPR2023-01271
Patent No. 7,283,839
Joint Motion To Keep Confidential And Separate

Pursuant to 35 U.S.C. §317(b) and 37 C.F.R. § 42.74(c), Pantech Corporation ("Patent Owner") and LG Electronics Inc. ("Petitioner"), by and through their respective counsel of record, jointly request to file Exhibit 1301, the patent license agreement between the parties, as referenced in the Joint Motion to Terminate, as business confidential information, and to have it be kept separate from the file of the involved patent. The Parties consider Exhibit 1301 to contain highly sensitive confidential business information that would substantially harm their business interests if publicly disclosed. Pursuant to 37 C.F.R. §42.74(b), Exhibit 1301 is the entire agreement or understanding between the Parties made in connection with, or in contemplation of, the termination of this proceeding, and further, Exhibit 1301 is a true and accurate copy of the agreement between the Parties that resolves the present proceeding. The Parties hereby certify that, to the best of their knowledge, Exhibit 1301 has not been made publicly available. The settlement agreement has been filed for access by the "Board and Parties Only."

Dated: August 16, 2024

Respectfully submitted,
