PRODUCT DESCRIPTION

An exceptionally lightweight and durable LCD EHR cart with Jaco's exclusive dual-battery hot-swappable LiFePO4 power system. Exclusive Comfort Glide Lift Technology™ enables easy, silent, one-handed height adjustment. Precision-balanced weight distribution helps nurses control the cart easily and reduces risk of musculoskeletal strain and injury. Low maintenance by design, with an industry-best 10-year limited warranty. Jaco POWER BLADE™ LiFePO4 batteries sold separately.

KEY FEATURES

- Built to last from aircraft-grade metal
- Effortless, whisper-quiet one-handed height adjustment
- Dual-battery hot-swap for longer runtimes with less swapping
- Withstands all medical-grade chemical and UV disinfection
- Supports up to 6 EVO ClearView Storage™ drawers, plus a wide range of clinical accessories
- Industry-best 10-year limited warranty

PRODUCT DETAILS

- Welded steel and metal construction – built to last 10+ years between refreshes
- Uses safer, longer-lasting Jaco POWER BLADE™ LiFePO4 (lithium iron phosphate) batteries (sold separately)
- Comfort Glide Lift Technology™ lets anyone adjust worksurface height with one hand
- Precision-balanced to roll with ease and relieve nurses' backs, shoulders and arms
- Research-based ergonomics including positive/negative-tilt keyboard tray and raised mouse surface
- Superior, UV-ready infection control - high-gloss antimicrobial powder coat finish on all metal surfaces
- Laptop locks beneath worksurface for protection against loss and damage
- Made in U.S.A
