**DECLARATION OF DIANE S. RICE IN SUPPORT OF PETITIONER'S
UNOPPOSED MOTION FOR *PRO HAC VICE* ADMISSION**

I, Diane S. Rice, hereby declare to the following:

1. I am a member in good standing of the state Bar of California (SBN: 118303), as well as the United States Court of Appeals for the Federal Circuit.
2. I have not been suspended or disbarred from practice before any court or administrative body.
3. I have never had an application for admission to practice before any court or administrative body denied.
4. No sanction or contempt citation has been imposed against me by any court or administrative body.
5. I have reviewed and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of the Code of Federal Regulations.
6. I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).
7. In the past three years, I have not applied for admission *pro hac vice* before the Patent Trial & Appeal Board.
8. I am an experienced commercial and patent litigation attorney with more than 35 years of experience representing clients in cases spanning the computer software, electrical devices, and pharmaceutical fields. My patent

litigation experience includes, but is not limited to, fintech, biotech, Internet search technology, and stratospheric balloons. For example, I was counsel of record for patentee in *Space Data Corp. v. Alphabet, Inc.*, No. 16-cv-03260-BLF (N.D. Cal.). This matter involved stratospheric balloons. By way of further example, I am counsel of record for patentee in *MasterObjects, Inc. v. Meta Platforms, Inc.*, No. 2023-1097 (Fed. Cir.) which involves Internet search technology. In addition to patents, my technical experience includes copyright, trade secret and complex contract dispute matters.

9. I have represented fintech entities other than OV Loop with respect to court litigation, arbitration, and IP counseling (with the arbitration and IP counseling prominently featuring patent matters).

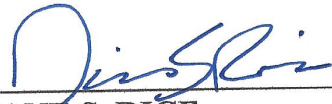

10. I am counsel of record for OV Loop in *OV Loop, Inc. v. Mastercard, Inc.*, No. 7:23-cv-1773 (S.D.N.Y.) in which OV Loop asserts the patent at issue in this IPR. I am intimately familiar with the issues and subject matter presented in this above-captioned *inter partes* review proceeding. For example, I have extensively reviewed the above identified patent, its prosecution history, the Petition for IPR, and the principal references cited by the Petition for IPR.

11. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the

knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
