

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

10X GENOMICS, INC,
Petitioner,

v.

NANOSTRING TECHNOLOGIES, INC.,
Patent Owner.

Case IPR2023-01298
U.S. Patent No. 11,377,689

UNOPPOSED MOTION TO SUBSTITUTE PARTY

Pursuant to the Board’s July 12 authorization, Patent Owner hereby submits this unopposed motion to substitute Bruker Spatial Biology, Inc. (“Bruker Spatial”) in place of NanoString Technologies, Inc. (“NanoString”) as the Patent Owner in the above-captioned proceeding. Submitted herewith are updated mandatory notices consistent with this proposed substitution.

By way of background, on February 4, 2024, NanoString filed a petition for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware. On March 22, 2024, the Board stayed all deadlines in this proceeding until chapter 11 proceedings in the Bankruptcy Court and any related appeals conclude or until the Board received notice that the Bankruptcy Court has lifted the stay with respect to this proceeding. On April 19, 2024, the Bankruptcy Court approved the sale transaction of substantially of all of NanoString’s assets to Bruker Corporation (“Bruker”). On May 5, 2024, Bruker assigned its rights and obligations under the associated Asset Purchase Agreement to Bruker Spatial. On May 6, 2024, the acquisition closed. Following a June 10, 2024, update from the parties, the Board approved the parties proposed schedule and authorized the submission of the instant motion to substitute and updated mandatory notices.

In view of the foregoing, Bruker Spatial respectfully submits that it be substituted for NanoString as the Patent Owner in this proceeding. Petitioner does not oppose this request.

Dated: July 15, 2024

Respectfully submitted,

/Derek C. Walter/
