Counsel,

In light of the Joint Motion to Terminate filed by the parties on May 14, 2025, the Board takes the oral argument in IPR2023-01300, currently scheduled for 1:00pm Eastern Time on May 29, 2025, by video, off the calendar.

In addition, the Board wishes to schedule a telephone conference with the parties to discuss whether there are additional agreements that should be filed under 35

U.S.C. § 317, in particular any collateral agreements referred to in the settlement agreement. Alternatively, the Board authorizes the parties to file any collateral agreements as additional exhibits and, to the extent necessary, further authorizes the parties to file a request to treat the collateral agreements as business confidential information.

The parties shall respond by 5pm Eastern Time May 19, indicating (1) 3 times when counsel for the parties are available for a call with the Board, or (2) that the parties will file additional exhibits without the need for a call with the Board. If no call is needed, additional exhibits, and any request to treat them as confidential information, shall be filed no later than 5pm Eastern Time, Thursday, May 22.

Regards,

Andrew Kellogg,
