FAQs

Reviews

QuickShift Technology

The OmniVerse is outfitted with Eureka's QuickShift Technology, allowing you to seamlessly shift modes at the press of a button for an easier way to clean all areas of your home. Even the hard-to-reach spots like under furniture, tight corners, and on stairs.

Advanced Anti-Tangle Technology

Prevents hair wrap from forming on the brushroll letting you clean messes, not create them.

Deep Cleaning

Engineered to deep clean carpet and hard floors with our advanced dual motor technology including flooring type controls.

HEPA Complete Seal Filtration

Captures and keeps 99.9% of dust, dander and allergens from going back into the air *Based on ASTM F1977, particles 0.3 microns and larger.

Target Pet Hair

Motorized anti-tangle pet tool for targeted cleaning on stairs and upholstery.

Easy to Maneuver

Extended access to hard to reach areas like underneath the couch or any other furniture.

Different Modes

Crevice Mode

Access to hard-to-reach areas

Stair & Uphol

Versatile above floor cleaning for any surface.

Stair & Uphol

A targeted clean tackle pet hair

FAQs

Q: Can the dustcup be cleaned in the dishwasher?

A: No, it is not advised to clean the dust cup in the dishwasher.

Q: Where do you ship from?

A: We ship your orders from 2 different fulfillment centers in the US depending on where the shipping address is.

Q: How do I maintain the brush roll?

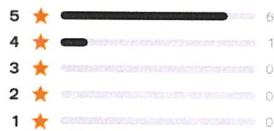

A: To ensure proper maintenance and effective cleaning performance, periodically clean the brushroll and brushroll ends by removing any remaining string, hair, carpet fibers, and other debris.

Q: What payment methods do you support?

A: We offer different payment options including Google Pay, Shop Pay, credit cards, etc.
