Dear Honorable Board,

Petitioner Novartis writes to request authorization to file a Motion for Adverse Judgment in IPR2023-01347. On June 7, 2024, Patent Owners, the Regents of the University of Michigan and University of South Florida, filed their Patent Owners' Response, indicating they had "disclaimed all interest in claim 16," which is the sole challenged claim in IPR2023-01347. Paper 19. Concurrently therewith, Patent Owners filed proof of the disclaimer. Exhibit 2003.

In view of the foregoing, Petitioner Novartis respectfully requests authorization to file a Motion for Adverse Judgment in IPR2023-01347. 37 C.F.R. 42.73.

Patent Owners are copied on this communication, and have indicated they do not oppose this request.

Kind regards,  
Erin Belfield
