

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PRIME TIME TOYS LLC, PRIME TIME TOYS LTD. and EASEBON
SERVICES LTD.
Petitioner,

v.

SPIN MASTER, INC.,
Patent Owner.

Case IPR2023-01348
Patent 8,371,282

MOTION TO SEAL

This Motion moves to seal Exhibit 2204 (Patent Owner's Demonstratives) submitted in this proceeding pursuant to the Board's April 10, 2025 Order Setting Oral Argument.

I. PATENT OWNER'S DEMONSTRATIVES CONTAIN CBI AND SHOULD BE SEALED

There is good cause to seal Patent Owner Demonstratives because portions of this exhibit (EX2204) contain confidential business information (CBI) that is subject to a protective order entered in the parallel ITC investigation and a protective order recently entered in this IPR proceeding (*see* Paper 37). Specifically, Patent Owner's Demonstratives contain CBI as follows:

- EX2204 at page 41, presenting CBI from sealed EX2015 and EX2068 (as discussed at Sections II.1 and II.3 of the granted Motion to Seal that is Paper 21 in this proceeding).
- EX2204 at page 43, presenting CBI from sealed EX2015 and EX2043 (as discussed at Sections II.2 and II.3 of the granted Motion to Seal that is Paper 21 in this proceeding);
- EX2204 at page 46, presenting CBI from sealed EX2015 and EX2072 (as discussed at Sections II.1 and II.3 of the granted Motion to Seal that is Paper 21 in this proceeding);

- EX2204 at page 47, presenting CBI from sealed EX2069 and EX2084 (as discussed at Sections II.2 and II.3 of the granted Motion to Seal that is Paper 21 in this proceeding); and
- EX2204 at page 54, presenting CBI from sealed EX2015 and EX2032 (as discussed at Sections II.1 and II.3 of the granted Motion to Seal that is Paper 21 in this proceeding).

A public version of Patent Owner's Demonstratives (EX2204) has been submitted that redacts the CBI from above-identified pages 41, 43, 46–47, and 54.

II. CERTIFICATION OF NON-PUBLICATION

The undersigned certifies that the information sought to be sealed by this Motion has not, to their knowledge, been published or otherwise made public.

III. CONCLUSION

For these reasons, sealing of Exhibit 2204 is respectfully requested.

Respectfully submitted,

Date: May 14, 2025
