Subject: RE: IPR2023-01358, IPR2023-01359 - Oral Argument Scheduling

Counsel,

The December 10, 2024, Oral Hearing in the above matters will now be held in Hearing Room D, which is somewhat larger than Room B. The November 12, 2024, Order Setting Oral Hearing is, thus, updated accordingly.

The request to move to Hearing Room A could not be accommodated due to concerns about a potential conflict with another matter scheduled for oral argument in Room A that is set to begin at 1pm.

Your Honors,

I write jointly on behalf of Petitioners BioNTech SE and Petitioner Pfizer Inc., as well as Patent Owner ModernaTX, Inc., in the above-captioned proceedings. In Paper No. 76, the Board set oral argument for December 10 at 9 AM in Hearing Room B of the USPTO Headquarters. Due to the involvement of a number of outside and in-house counsel in these proceedings, the parties wish to inquire whether it might be possible to hold oral arguments in Hearing Room A, so as to allow for greater attendance. Of course, the parties are happy to proceed with oral argument in Hearing Room B on the ordered date and time should it not be possible.

Respectfully,
Naveen Modi
