Pfizer Wins 2022 Supply Chain Award

Deep-freezing the supply chain helped to bring the COVID-19 vaccine to the world.

Congratulations to Pfizer, winner of the 2022 Supply Chain Award for Customer or Patient Innovation.

Pfizer and BioNTech developed an mRNA COVID-19 vaccine. Two big challenges were storing the vaccine postproduction at minus 75 degrees Celsius and getting the doses into patients' arms. Overcoming these challenges required an overhaul of the pharma supply chain.

Fill out the download form to read Pfizer's best practice:

- Challenges scaling manufacturing, building freezers and mobilizing resources
- Designing a new-in-kind shipping solution
- Enabling real-time visibility for shipments
