Subject: IPR2023-01372 Omega v Buergofol
Date: Friday, November 22, 2024 4:40:56 PM

Counsel: On October 7, 2024, Petitioner filed Exhibits 1060–1063 and Exhibits 1070–1072 in the public record. On October 24, 2024, upon Patent Owner’s request, the Board placed those exhibits “under seal provisionally as a ‘ministerial function’ pending submission and resolution of Patent Owner’s motion to seal.” Paper 30, 6. On October 28, 2024, Patent Owner filed a motion to seal Exhibits 1060–1063, but to date, has filed no motion to seal Exhibits 1070–1072. See Paper 28 (Patent Owner’s motion to seal pertaining to Exhibits 1060–1063).

Patent Owner may file a motion to seal Exhibits 1070–1072 no later than November 27, 2024. Petitioner may oppose the motion no later than December 3, 2024. In the event Patent Owner declines to file a motion pursuant to this authorization, the Board will unseal Exhibits 1070–1072 and place them again in the public record. The Board will enter a copy of this email in the record as Exhibit 3005.
