Unpleasant truths:

In 2009, more than 25 % of Berlin's 6,000 tax officials were absent for more than 6 weeks due to illness. So that they are healthier, we offer Back exercises, Qi Gong, Lince Dance, mobile massage, badminton. 1 hour per week during working hours. (Source: Steglitz tax office health report from 1.3.2011).

Conclusion: Every "sick" tax official has damaged the state by approx. 15,000.00 €. Criminal proceedings and fines for us if we "forget" to pay tax on this amount.

Importance: High

Unfortunately, the date tomorrow cannot be postponed because Brandenburger has made intensive preparations and a number of colleagues from Brandenburger are coming. So it is very important to them!

Unfortunately Gregor is also not for tomorrow. Wednesday 06.06. is not possible for Brandenburger.

How do we do it?

Either I alone, or Dr. Boutrid and I together. Suggest Dr. Boutrid/Stark visit because of the problem.

Please provide feedback.

Best regards
Kurt Stark

Recall of Rüdiger Kinzebach, Brandenburger.

Urgently requests a visit, as there are problems with our inner tube film. He speaks of incidents in the form of tears. Do we have any complaints?

So it may be even worse than he told Gregor and me at IFAT.

The date for the visit would be on Tuesday, June 5 at 11 a.m. in Landau. Gregor, do you have time? Please provide feedback.

He is also very interested in sliding films, 500 µ HDPE, which he is already getting. At 2 €/sqm he fell off my chair, he said that 1.7 - 1.8 €/sqm could be negotiated (1.7 €/sqm= 3.64 €/kg, still a proud price).

I will now enter everything in our list.

Yours sincerely
