Patent 10,025,797 B1

Before Judges, KEVIN F. TURNER, JEFFREY S. SMITH, and CHRISTA
P. ZADO, *Administrative Patent Judges*.

ZADO, *Administrative Patent Judge*.

REVISED SCHEDULING ORDER

A. GENERAL INSTRUCTIONS

1. Background

On March 13, 2024, counsel for Patent Owner True Return Systems, LLC (“Patent Owner”) filed a letter with the Board stating that “Jack Fonss, the sole owner of [True Return Systems], has died.” Paper 14. Patent Owner’s counsel, David Boag, requested a status conference to discuss appropriate next steps. *Id.* Pursuant to Mr. Boag’s request, on April 11, 2024, a conference call was held, attended by 1) Judges Turner and Zado; 2) Mark DeBoy and Patrick Finnan, counsel for DeFi Education Fund (“Petitioner”); and 3) Mr. Boag, counsel for Patent Owner.

During the call, Mr. Boag indicated that there was a temporary administrator over Mr. Fonss’s estate, but the issue of ownership of True Return Systems, LLC had not yet been resolved, and presently there was not an executor with authority to make litigation decisions on behalf of True Return Systems, LLC. Mr. Boag further indicated that he believed the issue of ownership and/or executorship would be resolved within the next few weeks.

On April 12, 2024, we ordered Patent Owner to file with the Board a status update, concerning ownership and/or executorship by an individual with the authority to make decisions on behalf of True Return Systems, LLC, within five (5) business days of a determination of ownership or executorship, or within thirty (30) calendar days of issuance of the Order, whichever occurs first. Paper 15, 2.

On May 31, 2024, Patent Owner filed an updated mandatory notice informing the Board that “[a] temporary administrator has been appointed to manage Patent Owner True Return Systems, LLC (“TRS”) with full

decision-making capacity,” and requesting that a status conference be scheduled to discuss the future of this proceeding.” Paper 18.¹

In the meantime, the due date for Patent Owner’s response—March 29, 2023—had passed. Paper 8 (Due Date App.).

The parties and the Board had a conference call on June 12, 2024 attended by Judges Turner, Smith, and Zado and counsel for the parties. During the call, the parties did not oppose the Board’s suggestion that they file a joint proposed revised scheduling order in this proceeding. The Board followed up with the parties in an email ordering the parties to file a joint proposed revised scheduling order. Ex. 3101.

On June 21, 2024, a joint proposed revised scheduling order was filed. Paper 19.

We adopt herein the parties’ proposed revisions.

The parties may request additional conference calls as needed. Any email requesting a conference call with the Board should: (a) copy all parties, (b) indicate generally the relief being requested or the subject matter of the conference call, (c) include multiple times when all parties are available, (d) state whether the opposing party opposes any relief requested, and (e) if opposed, either certify that the parties have met and conferred telephonically or in person to attempt to reach agreement, or explain why such meet and confer did not occur. The email may not contain substantive argument and, unless otherwise authorized, may not include attachments. *See Consolidated Practice Guide at 9–10.*

¹ Patent Owner also filed an updated mandatory notice on May 13, 2024, indicating “no temporary administrator has yet been appointed to manage Patent Owner True Return Systems, LLC (“TRS”), though an appointment is expected in the coming weeks.” Paper 17.

2. Protective Order

No protective order shall apply to this proceeding until the Board enters one. If either party files a motion to seal before entry of a protective order, a jointly proposed protective order shall be filed as an exhibit with the motion. It is the responsibility of the party whose confidential information is at issue, not necessarily the proffering party, to file the motion to seal.² The Board encourages the parties to adopt the Board's default protective order if they conclude that a protective order is necessary. *See Consolidated Practice Guide at 107–122 (App. B, Protective Order Guidelines and Default Protective Order)*. If the parties choose to propose a protective order deviating from the default protective order, they must submit the proposed protective order jointly along with a marked-up comparison of the proposed and default protective orders showing the differences between the two and explain why good cause exists to deviate from the default protective order.

The Board has a strong interest in the public availability of trial proceedings. Redactions to documents filed in this proceeding should be limited to the minimum amount necessary to protect confidential information, and the thrust of the underlying argument or evidence must be clearly discernible from the redacted versions. We also advise the parties that information subject to a protective order may become public if identified in a final written decision in this proceeding, and that a motion to expunge the information will not necessarily prevail over the public interest

² If the entity whose confidential information is at issue is not a party to the proceeding, please contact the Board.

in maintaining a complete and understandable file history. *See Consolidated Practice Guide at 21–22.*³

3. Discovery Disputes

The Board encourages parties to resolve disputes relating to discovery on their own. To the extent that a dispute arises between the parties relating to discovery, the parties must meet and confer to resolve such a dispute before contacting the Board. If attempts to resolve the dispute fail, a party may request a conference call with the Board.

4. Testimony

The parties are reminded that the Testimony Guidelines appended to the Consolidated Practice Guide at 127–130 (App. D, Testimony Guidelines) apply to this proceeding. The Board may impose an appropriate sanction for failure to adhere to the Testimony Guidelines. 37 C.F.R. § 42.12. For example, reasonable expenses and attorneys’ fees incurred by any party may be levied on a person who impedes, delays, or frustrates the fair examination of a witness.

5. Cross-Examination

Except as the parties might otherwise agree, for each due date: Cross-examination ordinarily takes place after any supplemental evidence is due. 37 C.F.R. § 42.53(d)(2).

Cross-examination ordinarily ends no later than a week before the filing date for any paper in which the cross-examination testimony is expected to be used. *Id.*

6. Motion to Amend

Patent Owner may file a motion to amend without prior authorization from the Board. Nevertheless, Patent Owner must confer with the Board before filing such a motion. 37 C.F.R. § 42.121(a). To satisfy this requirement, Patent Owner should request a conference call with the Board no later than two weeks prior to DUE DATE 1. *See* Section B below regarding DUE DATES.

Patent Owner has the option to receive preliminary guidance from the Board on its motion to amend. *See* Notice Regarding a New Pilot Program Concerning Motion to Amend Practice and Procedures in Trial Proceedings under the America Invents Act before the Patent Trial and Appeal Board, 84 Fed. Reg. 9497 (Mar. 15, 2019) (“MTA Pilot Program Notice”); *see also* Consolidated Practice Guide at 67. If Patent Owner elects to request preliminary guidance from the Board on its motion, it must do so in its motion to amend filed on DUE DATE 1.

Any motion to amend and briefing related to such a motion shall generally follow the practices and procedures described in MTA Pilot Program Notice unless otherwise ordered by the Board in this proceeding. The parties are further directed to *Lectrosonics, Inc. v. Zaxcom, Inc.*, IPR2018-01129, Paper 15 (PTAB Feb. 25, 2019) (precedential), and Rules of Practice To Allocate the Burden of Persuasion on Motions To Amend in Trial Proceedings Before the Patent Trial and Appeal Board, 85 Fed. Reg. 82923 (Dec. 21, 2020).

At DUE DATE 3, Patent Owner has the option to file a reply to the opposition to the motion to amend and preliminary guidance, or a revised motion to amend. *See* MTA Pilot Program Notice at 9500–01. Patent

Owner may elect to file a revised motion to amend even if Patent Owner did not request to receive preliminary guidance on its motion to amend. A revised motion to amend must provide amendments, arguments, and/or evidence in a manner that is responsive to issues raised in the preliminary guidance and/or Petitioner's opposition.

If Patent Owner files a revised motion to amend, the Board shall enter a revised scheduling order setting the briefing schedule for that revised motion and adjusting other due dates as needed. *See* MTA Pilot Program Notice at 9501, App. 1B.

As also discussed in the MTA Pilot Program Notice, if the Board issues preliminary guidance on the motion to amend, and Patent Owner files neither a reply to the opposition to the motion to amend nor a revised motion to amend at DUE DATE 3, Petitioner may file a reply to the Board's preliminary guidance, no later than three (3) weeks after DUE DATE 3. The reply may only respond to the preliminary guidance. Patent Owner may file a sur-reply in response to Petitioner's reply to the Board's preliminary guidance. The sur-reply may only respond to arguments made in the reply and must be filed no later than three (3) weeks after Petitioner's reply. *See* MTA Pilot Program Notice at 9502. No new evidence may accompany the reply or the sur-reply in this situation.

7. Oral Argument

Requests for oral argument must comply with 37 C.F.R. § 42.70(a). To permit the Board sufficient time to schedule the oral argument, the parties may not stipulate to an extension of the request for oral argument beyond the date set forth in the Due Date Appendix.

The parties may request that the oral argument be held at the San Jose, California, USPTO Regional Office or the Dallas, Texas, USPTO Regional Office. The parties may also request that the oral argument instead be held virtually by videoconference. The parties should state in the request for oral argument, DUE DATE 4, (1) whether the parties would prefer either a video hearing or an in-person hearing and (2) for in-person hearings, which of the locations named above the parties would prefer. To the extent the parties disagree, they should meet and confer; if the dispute cannot be resolved by meeting and conferring, the parties should inform the Board of each party's individual preferences. PTAB will only conduct an in-person hearing when requested by all parties.

Note that the Board may not be able to honor the parties' preferences due to, among other things, the availability of hearing room resources, the needs of the panel, and USPTO policy at the time of the hearing. The Board will consider the parties' request and notify the parties of how and where the hearing will be conducted.

For in-person hearings, seating in the Board's hearing rooms may be limited, and will be available on a first-come, first-served basis. If either party anticipates that more than five (5) individuals will attend the argument on its behalf, the party should notify the Board as soon as possible, and no later than the request for oral argument. Parties should note that the earlier a request for accommodation is made, the more likely the Board will be able to accommodate additional individuals.

The Board has established the "Legal Experience and Advancement Program," or "LEAP," to encourage advocates before the Board to develop their skills and to aid in succession planning for the next generation. The

Board defines a LEAP practitioner as a patent agent or attorney having three (3) or fewer substantive oral arguments in any federal tribunal, including PTAB. Parties are encouraged to participate in the Board's LEAP program.⁴ The Board will grant up to fifteen (15) minutes of additional argument time to that party, depending on the length of the proceeding and the PTAB's hearing schedule. A party should submit a request, no later than at least five (5) business days before the oral hearing, by email to the Board at PTABHearings@uspto.gov.⁵

All practitioners appearing before the Board shall demonstrate the highest professional standards. All practitioners are expected to have a command of the factual record, the applicable law, and Board procedures, as well as the authority to commit the party they represent. The Board discerns that it is often LEAP practitioners who have the best understanding of the facts of the case and the evidence of record, and the Board encourages their participation.

B. DUE DATES

This Order sets due dates for the parties to take action after institution of the proceeding. The parties may stipulate different dates for DUE DATES 1, 5, and 6, as well as the portion of DUE DATE 2 related to Petitioner's reply (earlier or later, but no later than DUE DATE 3 for Patent Owner's sur-reply) and the portion of DUE DATE 3 related to Patent Owner's sur-reply (earlier or later, but no later than DUE DATE 7). The

⁴ Information about the LEAP program can be found at www.uspto.gov/leap.

⁵ Additionally, a LEAP Verification Form shall be submitted by the LEAP practitioner, confirming eligibility for the program. A combined LEAP Practitioner Request for Oral Hearing Participation and Verification Form is available at www.uspto.gov/leap.

parties may not stipulate to a different date for the portion of DUE DATE 2 related to Petitioner's opposition to a motion to amend, or for the portion of DUE DATE 3 related to Patent Owner's reply to an opposition to a motion to amend (or Patent Owner's revised motion to amend) without prior authorization from the Board. In stipulating to move any due dates in the scheduling order, the parties must be cognizant that the Board requires four weeks after the filing of an opposition to the motion to amend (or the due date for the opposition, if none is filed) for the Board to issue its preliminary guidance, if requested by Patent Owner. A notice of the stipulation, specifically identifying the changed due dates, must be promptly filed. The parties may not stipulate an extension of DUE DATES 4, 7, and 8.

In stipulating different times, the parties should consider the effect of the stipulation on times to object to evidence (37 C.F.R. § 42.64(b)(1)), to supplement evidence (§ 42.64(b)(2)), to conduct cross-examination (§ 42.53(d)(2)), and to draft papers depending on the evidence and cross-examination testimony.

Patent Owner may file—

a. A response to the petition (37 C.F.R. § 42.120). If Patent Owner elects not to file a response, Patent Owner must arrange a conference call with the parties and the Board. Patent Owner is cautioned that any arguments not raised in the response may be deemed waived.

Patent Owner may file a sur-reply to Petitioner's reply to the preliminary guidance no later than three (3) weeks after Petitioner's reply.

4. DUE DATE 4

Either party may file a request for oral argument (may not be extended by stipulation).

5. DUE DATE 5

Petitioner may file a sur-reply to Patent Owner's reply to the opposition to the motion to amend.

7. DUE DATE 7

Either party may file a reply to an opposition to a motion to exclude evidence.
