Good afternoon Mr. Ramey,

This e-mail serves as a follow-up to the Board's December 22, 2023 e-mail. We have also unsuccessfully tried to reach Ms. Susan S. Q. Kalra of Ramey LLP.

We are contacting you because it appears that your firm represents ALD Social LLP in litigation concerning patents 9,198,054 and 9,402,158. IPRs 2023-01398 and 2023-01399 have been filed challenging those patents. The correspondent of record has informed the Board that they no longer represent the Patent Owner. No counsel has yet appeared in these cases on behalf of Patent Owner and Mandatory Notices are long since past due. If you are representing or know who will be representing ALD, please contact us immediately.
