Counsel,

Petitioner's *pro hac vice* motion does not indicate whether Patent Owner opposes. The panel requests that Petitioner consult with Patent Owner and advise whether Patent Owner opposes.

Your Honors,

I am lead counsel for Petitioner in IPR2023-01421. On June 3, 2024, Petitioner filed a motion for PHV admission (Paper 16). That motion has not yet been ruled on. Patent Owner has noticed the deposition of Petitioner's expert for June 6, 2024. Petitioner currently intends for Ron Hagiz, the attorney who has requested PHV admission, to defend this deposition. If possible, Petitioner respectfully requests that the Board rule on the pending PHV motion prior to the deposition, or, in the alternative, respectfully requests permission for Mr. Hagiz to defend these depositions pending Your Honors' rulings on these motions.

Respectfully,

Jared W. Newton
