v.

OUSTER, INC.
Patent Owner

Case No. IPR2023-01421
U.S. Patent No. 11,175,405

PATENT OWNER'S REQUEST FOR ORAL HEARING

Pursuant to 37 C.F.R. § 42.70(a), Patent Owner Ouster, Inc. requests an oral hearing on all grounds of unpatentability raised in this proceeding. Patent Owner also requests oral hearing (without intending to waive any issue not specifically identified) on any issues raised by Petitioner in its Request for Oral Hearing, any procedural or evidentiary issues raised by the parties, and any additional issues or questions raised by the Board or the parties before or during the oral argument.

Patent Owner requests 60 minutes total to present its argument. To the extent the Board schedules the hearing to last more than 120 minutes total or provides further opportunity to address the issues (such as a closing statement), however, Patent Owner requests that it should be given an equal opportunity to Petitioner.

Patent Owner's preference is that the oral hearing be held in person at the USPTO headquarters in Alexandria, Virginia, to the extent practicable including the capacity of the hearing room. Patent Owner believes that there will be no more than five attorneys and clients present for this oral hearing on behalf of Patent Owner.

Should arguments take place in person, Patent Owner also requests that its attorneys be allowed to use computers at the hearing (in addition to the counsel making the argument using his or her computer to show the demonstratives) to avoid the need for the parties to bring entire paper copies of the record into the hearing room and to facilitate efficient answering of panel questions. Patent Owner further requests audio-visual equipment suitable to display papers of record and

demonstrative exhibits, including a computer-connectable projector, an ELMO, and a screen.

Patent Owner further requests the services of a court reporter to transcribe the proceeding.
