SPECTRUM SOLUTIONS L.L.C.,
Petitioner

v.

DNA GENOTEK INC.,
Patent Owner

Case No. IPR2023-01424
Patent 11,536,632

DECLARATION OF BENJAMIN B. ANGER

1. I am a partner at Knobbe Martens Olson & Bear LLP, and I am registered to practice before the USPTO (Reg. No. 62,207). I am counsel for Petitioner Spectrum Solutions L.L.C. Unless otherwise stated, I have personal knowledge of the following facts and, if called upon, I could and would testify competently to them.

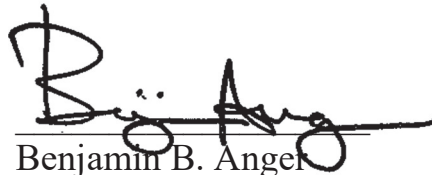

2. On April 22, 2024, I navigated with my web browser to the Occupational Safety and Health Administration (OSHA) website at: <https://www.osha.gov/bloodborne-pathogens/evaluating-controlling-exposure>. I printed a copy of this webpage with my web browser. Exhibit 1023 is a true and correct copy of the printout, including the configured header and footer.

3. As shown on page 1 of Exhibit 1023, under the heading “Control Programs” at the sixth bullet point, the OSHA website includes a link titled “Workbook for Designing, Implementing, and Evaluating a Sharps Injury Prevention Program.” This link launches a new webpage at the Centers for Disease Control and Prevention (CDC) website with the URL https://www.cdc.gov/sharpssafety/pdf/sharpssworkbook_2008.pdf. This URL provides a downloadable PDF document titled “Workbook for Designing, Implementing, and Evaluating a Sharps Injury Prevention Program,” a true and correct copy of which was submitted previously by Petitioner as Exhibit 1013.

4. On the OSHA website, after the link for “Workbook for Designing, Implementing, and Evaluating a Sharps Injury Prevention Program,” it states: “Centers for Disease Control and Prevention (CDC), (2008),” thus indicating that the CDC published Exhibit 1013 in 2008.

5. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code.
