PATENT ASSIGNMENT

WHEREAS, Eckhard C.A. Schwarz ("Assignor"), of P.O. Box 512, Neenah, WI 54957-0512 owns all right, title, and interest in the patents and patent applications listed on Schedule A attached hereto (the "Patent Applications");

WHEREAS, Biax-Fiberfilm Corporation ("Assignee"), a Wisconsin corporation having its principal place of business at 884 Chapman Avenue, Neenah, WI 54956 is desirous of acquiring the entire interest in, to, and under the Patent Applications and the underlying inventions and in, to, and under Letters Patent or similar legal protection to be obtained therefor in the United States and in any and all other countries.

WHEREAS, in connection with his assignment obligation, Assignor desires to assign and Assignee desires to acquire all rights in and to the Patent Applications and all continuations, continuations-in-part, divisions, or renewals thereof, all patents that may be granted therefrom, all reissues, re-examinations, or extensions of such patents, and in and to any applications that have been or shall be filed in any other countries, and all patents or utility models of other countries that may be granted therefrom or correspond thereto, along with the right to recover for damages and profits for past and future infringements thereof.

NOW, THEREFORE, for one dollar (\$1.00) and other good and valuable consideration, the sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, and transfer unto Assignee all right, title, and interest in and to the Patent Applications and all continuations, continuations-in-part, divisions or renewals thereof, all patents that may be granted therefrom, all reissues or extensions of such patents, and in and to any applications corresponding thereto that have been or shall be filed in any other countries, and all patents or utility models of other countries that may be granted therefrom, together with any and all claims or causes of action for infringement thereof that may have accrued prior to and/or after the effective date of this Assignment, including the right to bring suit for and/or initiate any proceeding to collect any and all damages arising from said claims or causes of action. Assignor further agrees to execute such other and further documents as necessary to carry out the intent of this Assignment.

IN WITNESS WHEREOF, I have hereunto set hand and seal.
