Dear Honorable Board and Counsel for Petitioner,

Please see the service link below for Patent Owner's preliminary response and associated exhibits in IPR2023-01462.

Due to an administrative oversight, Patent Owner has not yet filed a power of attorney or mandatory notices in the above-captioned proceeding, and will promptly do so. But to avoid any prejudice to counsel or the Board, we are providing the preliminary response and associated exhibits now. Once the power of attorney and mandatory notices are filed, we intend to seek authorization to file these documents via PTACTS.
