IPR2024-00016 (Patent 10,510,842 B2)

On July 23, 2025, an Order was entered upon Director Review remanding this matter to the Board for further proceedings. Paper 89 (the “DR Order”).³ The DR Order stated that “[a]bsent good cause, the Board shall issue a decision on remand within *30 days after Petitioner provides to Patent Owner the discovery that the Board authorizes.*” *Id.* at 3 (emphasis added).

On July 25, 2025, the Board entered an Order outlining the scope, content, and timing of additional discovery. Paper 91 (“Post-Remand Order”). The Post-Remand Order set August 12, 2025, as the deadline for serving Petitioner “documents, declarations, and deposition transcripts” that “explain Patent Owner’s position that Petitioner is in privity with time-barred entity Intel.” *Id.* at 4. The Post-Remand Order set the following deadlines: August 26, 2025, for Patent Owner’s Post-Remand Brief; August 26, 2025, for Petitioner’s’ Responsive Post-Remand Brief; September 2, 2025, for Patent Owner’s Reply Post-Remand Brief; and the week of September 8, 2025, for an optional hearing. Post-Remand Order 4–5.

In view of the above, we find good cause to extend the deadline for entering a decision on remand based on the time required to address the issues raised and the availability of the Panel.
