**BEFORE THE PATENT TRIAL AND APPEAL BOARD**

---

CIRRUS LOGIC, INC.;  
OMNIVISION TECHNOLOGIES, INC.; AND  
TEXAS INSTRUMENTS INCORPORATED,  
Petitioner,

v.

GREENTHREAD, LLC,  
Patent Owner.

Case No. IPR2024-00001<sup>1</sup>  
Patent No. 10,734,481

---

**PETITIONER OMNIVISION TECHNOLOGIES, INC.'S  
UPDATED POWER OF ATTORNEY**

---

<sup>1</sup> Texas Instruments Inc. which filed a petition in IPR2024-00772, has been joined as a party to this proceeding.

Pursuant to 37 C.F.R. § 42.10(b), Petitioner Omnivision Technologies, Inc. hereby appoints the practitioners associated with Customer Number 26853, including the following lead and backup counsel, as its attorneys to transact all business in the United States Patent and Trademark Office associated with the above-captioned *Inter Partes* Review.

| Lead Counsel                                                                                                                                                                                                                                                                              | Backup Counsel                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
