8-inch Swinging Ladder Dredge Ellicott 8010-HP

321,000 CAD • 230100-DL

Built in 2008, rear "Kicker Spud" propulsion system. Two primary spuds. Hull mounted dredge pump with 8-in suction and 8-in discharge with an impeller diameter of 19.5-in. Dredge has a minimum dredging depth is 2-ft 4-in and max depth of 15-ft. Powered by a Turbo-charged after-cooled John Deere diesel engine with a power rating of...

12-inch Horizontal Dredge IMS 7012

508,000 USD • 230302-DH

IMS model 7012 Horizontal Cutter Dredger built in 2014. Reported to be in good working condition. The 7012 HP Versi-Dredge is a one-truck transportable hydraulic dredge with a dry weight of 47,700 lbs (21,636 kg). Dredging depth is 30-ft using Starwheel Drive System and 32.8 using Cable Drive System. Cutterhead torque is 23,885 in.-lbs. (2,969...
