Dear Honorable Board,

Petitioner Garmin and Patent Owner Slyde have reached a settlement in principle of the related district court litigation and will seek leave to file a joint motion to terminate Garmin's further participation in IPR2024-00006 once the final settlement agreement has been executed. Joint Petitioner Zepp intends to take over the role of lead Petitioner from Samsung in IPR2024-00006.

By way of background, IPR2024-00006 was filed on October 16, 2023 by Petitioner Samsung. Both Garmin Ltd. (IPR2024-00765) and Zepp Health Corporation (IPR2024-00833) were joined as petitioners to the proceeding.

On October 9, 2024, Petitioner Samsung and Patent Owner Slyde informed the Board that they had reached a settlement in principle and would seek leave to file a joint motion to terminate Samsung's further participation in these IPRs once the final settlement agreement has been executed. A conference call was held on October 16, 2024, and the Board authorized Garmin to take over the lead Petitioner role. Paper 16.

Counsel for Patent Owner Slyde and Joint Petitioners Garmin and Zepp Health are copied on this communication.

Best regards,
Lydia Raw
Counsel for Petitioner Garmin
