Dear Honorable Board:

Petitioner Samsung Electronics Co., LTD ("Samsung") and Patent Owner Slyde Analytics, LLC ("Slyde") have reached a settlement and respectfully request permission to file a joint motion to terminate IPR2024-00006 with respect to Samsung only, under 35 U.S.C. § 317(a) and 37 C.F.R. §§ 42.72 and 42.74. With such motion, Petitioner Samsung and Patent Owner Slyde will file an executed copy of the settlement agreement that resolves the disputes between them. There are no other collateral agreements between Samsung and Slyde made in connection with or in contemplation of the termination to be sought.

Samsung and Slyde further request permission accompany the motion with a Joint Request to Keep Separate, which will ask the Board to treat the settlement agreement as business confidential information and to keep it separate from the files of this proceeding and the files of the challenged patent.

The settlement agreement does not extend to Co-Petitioners Garmin LTD and Zepp Health Corp. (collectively, "Other Petitioners").

Counsel for Patent owner and the Other Petitioners are copied on this email. The Other Petitioners do not oppose this request, with the understanding that IPR2024-00006 will continue with respect to the Other Petitioners.

Thank you,

Brian Cook
Counsel for Petitioner Samsung
