Counsel,

From the Board –

The parties are authorized to file a joint motion to terminate this proceeding. The parties are also authorized to file a joint request to file agreements as business confidential information pursuant to 37 C.F.R. § 42.74(c) (as a separate paper). The motion to terminate must include a true copy of all agreements and understanding (as exhibits) the parties have made in connection with, or in contemplation of, the requested termination, and should include a statement certifying that that has been done. *See* 37 C.F.R. § 42.74(b).” The request to file agreements should not make requests beyond that expressly provided by 37 C.F.R. §42.74(c).

Subject: IPR2024-00006: Zepp Health v. Slyde Analytics, LLC

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board:

Petitioner, Zepp Health Corp. (“Zepp”), and Patent Owner, Slyde Analytics, LLC (“Slyde”), have reached a settlement and respectfully request permission to file a joint motion to terminate IPR2024-00006 under 35 U.S.C. § 317(a) and 37 C.F.R. §§ 42.72 and 42.74. With this motion, Petitioner and Patent Owner will file an executed copy of the agreement that resolves the disputes between them. There are no other collateral agreements between Zepp and Slyde made in connection with or in contemplation of the termination to be sought.

Zepp and Slyde further request permission to accompany the motion with a Joint Request to Keep Separate which will ask the Board to treat the settlement agreement as business confidential information and keep it separate from the files of this proceeding and the challenged patent.

Respectfully,
