Your Honors:

The parties have reached an agreement in principle to settle the dispute between them and intend to file a joint motion to terminate the pending IPRs. The deadline for Patent Owner's Preliminary Response in IPR2024-00022 is this Thursday, February 29. In order to avoid the need for Patent Owner to file a Preliminary Response, the parties respectfully request a one-week extension of that deadline until March 7 to allow time for the parties to finalize their settlement agreement and then request permission from the Board to file motions to terminate the pending IPRs and keep the settlement agreement confidential. Thank you for your consideration of this matter.
