UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

CIRRUS LOGIC, INC., and
OMNIVISION TECHNOLOGIES, INC.,
Petitioners,
v.

GREENTHREAD, LLC,
Patent Owner.

IPR2024-00020
U.S. Patent No. 11,121,222

PATENT OWNER'S MOTION TO SEAL PURSUANT TO 37 C.F.R. §§ 42.14 & 42.54

Pursuant to 37 C.F.R. §§ 42.14 and 42.54, Patent Owner, Greenthread, LLC ("Patent Owner") respectfully submits this Motion to Seal. Patent Owner moves to seal Patent Owner's Request for Director Review of Final Written Decision (filed concurrently with the present Motion). Patent Owner will file a redacted version of its Director Review request in due course. Patent Owner conferred with counsel for Petitioners, who indicated that they are "not opposed in concept" to the Motion, but would "need to see the Requests before [they] can make a final call."

I. GOOD CAUSE EXISTS

The Office Trial Practice Guide (TPG) states that "a document or thing will be made publicly available, unless a party files a motion to seal that is then granted by the Board." Office Trial Practice Guide (Nov. 2019) at 19; *see also* 35 U.S.C. §316(a)(7). "The document or thing will be protected on receipt of the motion and remain so, pending the outcome of the decision on motion." *Id.* The TPG states that "protective orders may be issued for good cause by the Board to protect a party from disclosing confidential information." *Id.* at 20 (citing C.F.R. § 42.54). Here, there is good cause for sealing Patent Owner's Request for Director Review of Final Written Decision because Patent Owner is under confidentiality obligations regarding licensing information referenced therein—including the names of parties that have taken a license to Patent Owner's patents, as well as the dollar amounts of those various licenses. Patent Owner itself does not desire to maintain the confidentiality

of the information, and believes that some of it may be public. Nevertheless, Patent Owner requests to seal the information to avoid potential disputes with any party to whom Greenthread owes confidentiality obligations and who has specifically requested that Greenthread maintain the confidentiality.

II. PROTECTIVE ORDER

Patent Owner previously requested entry of a modified protective order. Upon entry of that modified protective order, Patent Owner designates Patent Owner's Request for Director Review in its entirety as "PROTECTIVE ORDER MATERIAL."

As discussed above, Patent Owner will file a redacted copy of Patent Owner's Request for Director Review within due course.

III. CONCLUSION

For at least the foregoing reasons, Patent Owner requests that the Board seal Patent Owner's Request for Director Review in its entirety, subject to the later filing of a redacted public version of this paper.

Dated: November 25, 2025

Respectfully submitted,

/Alan Whitehurst/
