Counsel,

The panel grants Patent Owner's unopposed request to allow back-up counsel to present final arguments (without lead counsel present) during the final hearing on January 30, 2025. An Order setting that new hearing date will issue in due course.

Your Honors,

The parties have conferred and January 30th at 1:00pm ET time works for both parties.

Although arguing counsel for Patent Owner Inpria will be available in-person for oral argument on

January 30, 2025, lead counsel, Naveen Modi, may be unavailable in person. In light of the Board's expectation that lead counsel be present for argument (Paper 48, 5; CTPG 11), Patent Owner requests the Board's authorization to not have lead counsel present. Patent Owner has conferred with Petitioner, who does not oppose this request.

Respectfully,
Michael Wolfe
