Dear Jason Stowers,

Enclosed are the Pretext Pages of your document. Please make the corrections indicated, if any.

Oregon State University now requires electronic transmittal submission of dissertation. For instruction please refer to <https://ir.library.oregonstate.edu/dspace/index.jsp> and follow the enclosed instructions. You will now prepare the final library copy of your document. It represents the quality of education you have received and work you will do in the future. It is to your benefit to consider the preparation carefully. Please consult the guidelines posted on the Graduate School homepage http://oregonstate.edu/dept/grad_school/current/thesis.html and follow them exactly. Please note that, following your final exam (thesis defense) if you have revisions, you must **submit your final library copy to the Graduate School within six weeks after exam or by the end of the second week of the next term (October 10, 2008), whichever comes first**, to avoid having to register the next term for a minimum of three graduate credits.

Final library copy will be returned for correction if they do not adhere to the following standards:

- Your document must meet paper requirements of **WHITE, cotton bond paper with a 25% minimum cotton fiber content and a 16 lb minimum thickness**, with a watermark stating the cotton fiber content.
- Your document must meet copy requirements of **unblemished photocopying on one side only**.
- Your document must meet margin requirements of a **left margin of at least 1.5 inches** and the **other margins of at least one inch**. Wider margins are permissible, but pages with narrower margins will be returned.
- Your document must have consecutive page numbers beginning with text pages. Page one is counted but not numbered. Number the pages consecutively to the end of the document in Arabic numbers (2, 3, 4, etc.) All the page numbers should be located in the upper right corner of the page, approximately 1 inch from the top and not invading the margins. There should be at least one return between the page number and the text. **Do not number pretext pages.**
- Your document must have the **thesis title identically worded** on the Abstract, Title Page, and the top of page one.
- Your document must have **all original signatures** (except the Dean of the Graduate School) in place.
- Your document must be **packaged in a suitably sized clasp envelope**. **Fasten a copy of the Title page to the outside**. Write a phone number/email address where you can be reached on the front side of the envelope.
- **Include flyleaf pages** (i.e. blank cotton bond pages) at the beginning and the end of your document.

Doctoral students - submit an extra Abstract with an original signature and three extra Title pages on cotton bond paper, for certification processing. You must complete the **UMI/ProQuest Publishing Agreement form** available on the web at http://oregonstate.edu/dept/grad_school/thesis/dissertation_publishing_agreement.pdf. Complete the forms on pages 3 & 4 (page 5 is optional), print it and submit with your dissertation to the Graduate School. **We recommend option TR-1** on page 3, if any questions please call. Pay a publishing fee of \$55.00 (\$120.00 w/copyright) at the Cashier's office and bring your **Cashier Receipt** with your publishing agreement form. Fill out the **Graduate Degree Recipient Exit Survey** and **Survey of Earned Doctorates**, and submit with your final copy of your dissertation.

Sincerely,

Julie Kurtz
