ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

We held a consolidated oral hearing in these proceedings on January 16, 2025. During the hearing, the panel and the parties discussed the propriety of Patent Owner's filing of Exhibits 2090³ (Declaration of David R. Ericson) and 2092 (Transcript of the Deposition of David R. Ericson) as supplemental evidence. Although Petitioner maintained that Exhibit 2090 was served in response to Petitioner's evidentiary objections to Exhibit 2063 (Excerpts of the ITC Deposition Transcript of David Ericson), Patent Owner asserted that Exhibit 2090 also was responsive to certain other evidentiary objections. *See* Paper 20 (Petitioner's Objections to Evidence). In order to understand the circumstances better, we now require the parties to file all correspondence among counsel pertaining to Patent Owner's service of Exhibit 2090, which apparently occurred on August 9, 2024. *See* Paper 22, 1. Accordingly, within one week of the date of this Order, each party shall file such correspondence as a single exhibit in each proceeding at the next available exhibit number.

It is SO ORDERED.
