EXTERNAL EMAIL: Use caution when opening attachments or links.

Counsel,

Earlier today, the parties uploaded a Joint Motion to Terminate Proceeding (Paper 10), together with a true copy of the parties settlement agreement (Ex. 1022) and a stipulated notice of voluntary dismissal (Ex. 1023). The parties did not upload the settlement agreement as “Parties and Board Only,” nor did the parties submit a request that the Board treat the settlement agreement as business confidential information under 37 C.F.R. § 42.74(c). Please confirm that the parties do not wish to have the settlement agreement treated as confidential by responding to this email (i.e., Trials@uspto.gov). If this was an inadvertent mistake, please respond to this email indicating that the parties want the settlement agreement to be designated confidential, and then promptly file a request to the treat the settlement agreement as business confidential information.
